Take Our Daughters and Sons to Work Day
National Institutes of Health
April 24, 2003

Dear School Official:

On Thursday, April 24th, the National Institutes of Health (NIH) will observe "Take Our Daughters and Sons to Work Day". The purpose of this event is to introduce school children, ages eight to fifteen, to the vital public services that their parents provide in support of the NIH mission, and to encourage future careers in science. The program will include many educational activities, including hands-on workshops, tours and demonstrations to explore the wide range of biomedical research performed at NIH as well as the critical services and resources needed to support it. We are confident that the experience will be rewarding for all children who attend.

Child's name: _____

Grade/Homeroom Teacher: _____

I am an employee at the National Institutes of Health and plan to bring my daughter / son to the NIH "Take Our Daughters and Sons to Work Day". My child will be absent from school on **April 24, 2003** in order to participate in this event. Thank you.
